The Rev. Douglas Sunderland

Christ Church, Cody
Standing Committee: Clergy

I am interested in running for Standing Committee. I served on this Committee for one term several years ago so I am familiar with its duties. I have been ordained for 20 years and have served as a priest in Cody the entire time in a bivocational capacity. I am now retired from a career as a social worker. I was a member of the board at Thomas the Apostle Center for 7 years, and chair for 2, during the time of transition from one bishop to another and I led the transition from long time directors to the current directors at TAC. I am currently Chair of the Committee hosting convention in Cody, and after a brief respite from that job, I look forward to serving in another capacity in our diocese
