

*The Episcopal Church  
in Wyoming*

**The Rev. Megan Nickles**

Priest, St. John's, Powell

Standing Committee: Clergy- 2 year term

Currently, I am a past president and Executive Committee member of the Northwest College Foundation Board of Directors. In this role, I help supervise, evaluate, and negotiate the annual contract for the Executive Director. We also serve as a support team for the director and staff when they develop significant fundraising campaigns, reorganize staff, or respond to economic sea-changes including the Corona pandemic. I have been on this board for 15 years.

I was raised in Powell and was baptized, confirmed, and ordained a priest at St. John's Episcopal Church. Before my ordination, I was a part of Sunday services, as worship leader, lector, Eucharistic Minister, and Altar Guild. I have also been the Sunday School teacher, Outreach chair, and Sr. Warden when we hired our last full-time rector. I provided leadership when we shifted to shared ministry in 2001, helping our community in the on-going processes of gifts discernment, creating ministry around those gifts, and articulating roles, responsibilities and accountability measures for all who seek to serve.

I am currently a member of the Standing Committee and believe my experience can help all parts of the diocese cross the threshold into our common life.
