

The Rev. Walt Seeley

Interim Rector, St. Mark's, Cheyenne
Diocesan Council: Clergy

I am running for re-election to Diocesan Council because I am excited for the chance to be a part of helping lead our Diocese during this exciting new chapter in our history. I have almost 23 years of experience as a priest in this Diocese, including 10 years as a bi-vocational priest at St. James, Kemmerer, 6 years as region 5 Ministry Developer, one year as Priest-in-Charge at St. John's, Green River, and 5 years as Co-Rector, along with my wife Janet, at Trinity Lander. We retired in February from Trinity and have most recently served as the Interim Dean at St. Matthew's Cathedral in Laramie and am beginning as the Interim Rector at St. Mark's in Cheyenne. I graduated from the Iona School as a student and mentor. I have served as the Chair of the Commission on Ministry since 2021, and am also on the Finance Committee for Diocesan Council.

A lifelong resident of Wyoming, I graduated from UW with a degree in Chemical Engineering and worked in a wide variety of engineering and management positions in a chemical plant environment. My varied experience gives me a unique perspective on the issues facing our Diocese, and if re-elected I look forward to continuing to serve the Diocese in this capacity.
