If you have served on other boards, what is your greatest accomplishment and greatest disappointment?

Helping the board be fiscally responsible and finding good leadership is important.
I am not always correct in my opinions and decisions.

How do you invite God's Presence? When is God most present to you in your work?

Just ask; he is always there. When I pray and ask for help it is always answered but not always the way I was looking for.

He is always with me and I tend to want to take credit when in reality, he is always with me, helping me.
