in Wyoming*

Name: Shealee Donahue
Church: St. Alban's in Worland
Applying for: Foundation Board (3 year term)

A brief summary of current and past volunteer positions within the church?

I am Shealee Donahue, and I have been an active member of the Diocese of WY since 1984. Serving as a youth Vestry member, attending Happening, EYE, and Trinal. I have been a board member of ECW. Serve on the Altar Guild, am a Eucharistic Minister, and just completed training to be a Eucharistic Visitor. I have served as a Deputy to General Convention in Baltimore and Louisville. I also served as assistant secretary for the Safety, Wellness and Mental Health in Louisville. It gave me a fuller view of how the Lord's work can be done with all people. I believe the Diocese of Wyoming is really working with God to make our Diocese and world better. I also enjoy drag racing with my husband, following my daughter's high school activities, and hearing about my oldest son's success in his career. Also, I have the blessing of my Heavenly son as part of my life.

What do you want to accomplish in this leadership role?

I believe God has blessed me with being able to ask hard questions. But also a deep understanding of how to work for the best of the Diocese.

If you have served on other boards, what is your greatest accomplishment and greatest disappointment?

I am a member of P.E.O. and organized our state Convention in Worland in 2018. It was a Convention with about 250 attendees. My committee had an incredibly well organized Convention.

My greatest disappointment is not being able to participate as much as I would like. Due to people's work scheduled that are not retired.

How do you invite God's Presence? When is God most present to you in your work?

I truly try to pray constantly during the day. I do need God's help because I still have a temper. I have many different inspiration sources from social media to books. I am constantly pushing to learn more in order to better myself and deepen my relationship with God. I am so blessed to also have a wonderful husband who keeps me grounded and lets me attend all my outside activities. My parents also have a deep faith in God and are supportive of me. Also, I love the Episcopal faith. Even though nothing on Earth is perfect I do believe that we truly try to love all.
